## BOOK SYNOPSIS

Earn College Credit with REAs Test Prep for CLEP® College Mathematics Everything you need to pass the exam and get the college credit you deserve. REAs CLEP® test preps are perfect for adults returning to college (or attending for the first time), military service members, high-school graduates looking to earn college credit, or home-schooled students with knowledge that can translate into college credit. Our test prep for CLEP® College Mathematics and the free online tools that come with it, allow you to create a personalized CLEP® study plan that can be customized to fit you: your schedule, your learning style, and your current level of knowledge. Diagnostic exam at the REA Study Center focuses your study Our online diagnostic exam pinpoints your strengths and shows you exactly where you need to focus your study. Armed with this information, you can personalize your prep and review where you need it the most. The most complete subject review for CLEP® College Mathematics The CLEP® College Mathematics exam covers material taught in a college course for non-mathematics majors. Written by a math expert, REAs comprehensive review covers all the topics found on the exam: algebra and functions, counting and probability, data analysis and statistics, logic and sets, financial mathematics, numbers, and geometry. Two full-length practice exams The online REA Study Center gives you two full-length practice tests and the most powerful scoring analysis and diagnostic tools available today. Instant score reports help you zero in on the CLEP® College Math topics that give you trouble now and show you how to arrive at the correct answer - so you'll be prepared on test day. REA is the acknowledged leader in CLEP® preparation, with the most extensive library of CLEP® titles available. Our test preps for CLEP® exams help you earn valuable college credit, save on tuition, and get a head start on your college degree. Start earning college credit with CLEP®!
