BOOK SYNOPSIS

Unpredictable, mysterious, awe-inspiring--weather is one of the most important and closely observed forces of daily life. The third title in the Observers Notebooks line is dedicated to weather in all its forms. Featuring a cloud atlas, snowflake typologies, rainbow diagrams, and stunning storm imagery, this distinctive specialty notebook is as instructive as it is beautiful. The striking cloth-covered journal is filled with an assortment of lined pages for writing, recording, and journaling and contains handy charts for weather forecasting and cloud observation.
