BOOK SYNOPSIS

Of the People: A Concise History of the United States not only tells the history of America--of its people and places, of its dealings and ideals--but it also unfolds the story of American democracy, carefully marking how this countrys evolution has been anything but certain, from its complex beginnings to its modern challenges. This comprehensive survey focuses on the social and political lives of people--some famous, some ordinary--revealing the compelling story of Americas democracy from an individual perspective, from across the landscapes of diverse communities, and ultimately from within the larger context of the world. The Concise Edition tells the same great story, but with fewer words and images. Maintaining the structure, the features, and maps of the comprehensive edition, this concise version has been thoughtfully condensed--paragraphs now contain trimmed sentences and a reduced number of examples--thus leaving the books core content and compelling narrative unchanged.

OF THE PEOPLE A HISTORY OF THE UNITED STATES CONCISE VOLUME I TO 1877 - Are you looking for Ebook Of The People A History Of The United States Concise Volume I To 1877? You will be glad to know that right now Of The People A History Of The United States Concise Volume I To 1877 is available on our online library.
