## **BOOK SYNOPSIS**

This enhanced digital edition of Harper Lee's Pulitzer prize-winning masterwork of honor and injustice in the deep south includes audio of Sissy Spacek performing the audiobook and video footage from the documentary Hey Boo: Harper Lee and To Kill a Mockingbird which includes Oprah Winfrey, Tom Brokaw, Anna Quindlen, Wally Lamb, Alice Finch Lee and others discussing Harper Lee and the book, excerpts from Harper Lee's final radio interview, and footage from the film. One of the best-loved stories of all time, To Kill a Mockingbird has been translated into more than forty languages, sold more than thirty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.
