BOOK SYNOPSIS

POSITIVE CHILD GUIDANCE, Eighth Edition, is ideal for guidance, behavior management and discipline, and classroom management courses in an early childhood education curriculum. This practical book outlines workable steps for creating a cooperative, respectful community of children and adults with special emphasis on sensitivity to cultural needs, cultural differences, and developmentally appropriate practice. Students will learn a range of practical, effective, and flexible guidance strategies based on principles of straightforward communication and assertiveness. This new edition includes critical advances in research and addresses the cultural trends that are changing the way babies and children are cared for today. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
