## **BOOK SYNOPSIS**

**BESTSELLING BOOK** In this inspirational guide, Wayne Dyer, the author of the phenomenal bestsellers *Wisdom of the Ages*, *Pulling Your Own Strings*, and *Your Erroneous Zones*, reveals seven beliefs central to working miracles in our everyday lives. When most of us think of magic, we picture a man in a black cape sawing a woman in half, or a sleight-of-hand card trick. But there's another kind of magic - real magic - that can enrich your life. According to Dyer, real magic means creating miracles in everyday life. Quitting smoking or drinking, achieving new job success, or finding a happy relationship - these are all miracles because they transcend our perceived limitations. From "creating a miracle mind-set" and achieving change in the areas of personal health, prosperity, and fulfilling love relationships to believing in the magic of miracles on a global scale, Dyer shows us that miracles are within our reach and within our own minds. In *Real Magic*, Dyer teaches us how to achieve a higher level of consciousness. He asks us to imagine what would make us happy, then offers specific strategies for attaining these goals. In every aspect of our individual lives - physical health, finances, intimate relationships, and personal identity - there is always room for a miracle or two. And with Dyer's help, each and every one of us can be a miracle worker.
