BOOK SYNOPSIS

Enter a world in which American millionaires marry British aristocrats-in return for title and social status-and discover why this blockbuster bestselling novel continues to enchant millions of readers. Be careful what you wish for... Newport heiress Cora Cash-beautiful, spirited, and the richest girl in the country-is the closest thing that American society has to a princess in 1893. But her mother wants more, and whisks Cora away to England for the one thing money cant get a woman in the States: a title. When it comes to love Cora makes a dazzling impression on English society-followed by a brilliant match-but finds the chill in the air of magnificent ancestral homes is not solely due to the lack of central heating. Faced with the traps and betrayals of an old-world aristocracy that can trip up even the most charming, accomplished outsider, can Cora grow from a spoiled rich girl into a woman of substance? Witty, moving, and brilliantly entertaining, Daisy Goodwins The American Heiress marks the debut of a glorious storyteller who brings a fresh new spirit to the world of Edith Wharton and Henry James. "Superior...shrewd, spirited historical romance."-Kirkus Reviews (starred review) "Vibrant. . .archly entertaining."-Janet Maslin, The New York Times
