## BOOK SYNOPSIS

It's the teaching around the standards that counts! What makes Sharon Taberski's Common Core Companion "that version of the standards you wish you had?" It's the way Sharon translates each and every standard for reading, writing, speaking and listening, language, and foundational skills into the day-to-day "what you do." It's all here: The standards for literature and informational texts put side by side for easier planning More than a dozen teaching ideas for each standard Recommendations on how to cultivate critical habits of mind A glossary of academic language for each standard An online bank of graphic organizers, reproducibles, charts, and more
